Information to stakeholders on fake and misleading notices

It has come to the notice of the UGC that fake and misleading public notices have been circulated across social media platforms concerning programmes offered in Open and Distance Learning (ODL) and Online (OL) mode.

All stakeholders, including Higher Educational Institutions (HEIs) and students, are hereby cautioned against such notices issued by unauthorized person/institution/organization. All stakeholders are strongly advised to refrain from engaging with such unauthorized communications.

It is informed that UGC officially publishes notifications solely on its official website (<https://www.ugc.gov.in>) and specific notices related to ODL and OL programmes are published through the UGC-DEB portal (<https://deb.ugc.ac.in>). These websites represent the only credible sources for public notices and information pertaining to the UGC.

This notice is issued in public interest to ensure awareness and any such instances of violations noticed may be reported to the UGC for appropriate action.
